St. John of the Cross
November 24

St. John of the Cross was born in 1542 in Spain near the city of Avila. At the age of 21, he entered the Carmelite Order. The young St. John felt drawn to the Carthusian Order, but he was asked by St. Teresa of Avila to help her in the restoration of the primitive Carmelite Rule of Life.

After John established several monasteries of Discalced Carmelites, those opposed to the reform had him imprisoned at Toledo. During the nine months of his imprisonment, he wrote many of the poems and prose works that have made him one of the foremost authorities on mysticism in the West.

St. John asked God for suffering, and he received an abundance of both physical and spiritual torment right up to his death in 1591. May he pray for us now!

New bulletin announcements and prayer requests must be submitted by noon on Wednesday to be included in the following Sunday bulletin. Send to bulletin@smastl.org. All requests subject to parish priest approval.
