April 23
St. George

George, from an illustrious family, was Cappadocian who fought in the Roman army during the third century. He rebuked Diocletian when that ruler began to persecute the Christians and was in consequence tortured and beheaded. The brave and defiant cheerfulness of the young officer during his torture was so great an inspiration to Christians of succeeding centuries that both the East and the West surrounded his bright figure with clusters of beautiful legends. St. George is the patron saint of England, and Christian soldiers. He was especially venerated in Christian Russia.

New bulletin announcements and prayer requests must be submitted by noon on Wednesday to be included in the following Sunday bulletin. Send to bulletin@smastl.org. All requests subject to parish priest approval.
