Sancti et Sanctae Dei, orate pro nobis!

Saint Luke October 18

St. Luke, the inspired author of the third Gospel and of the Acts of the Apostles, was a native of Antioch in Syria and a physician, and one of the early converts from paganism. He accompanied St. Paul on a considerable part of his missionary journey. He was also his companion while in prison at Rome on two different occasions. His account of these events, contained in the Acts, is firsthand history.

Luke's Gospel is, above all, the Gospel of the Merciful Heart of Jesus. It emphasizes the fact that Christ is the salvation of all men, especially of the repentant sinner and of the lowly. Legend says that Luke painted the Blessed Virgin's portrait. It is certainly true that he painted the most beautiful word-picture of Mary ever written.

St. Luke did not personally know our Lord, and like St. Mark, the author of the second Gospel, he is not included among the apostles. According to St. Jerome, St. Luke died in Achaia (Greece) at the age of 84, and it is unknown whether or not he died a martyr's death. His name means "bringer of light" (= luke).

New bulletin announcements and prayer requests must be submitted by noon on Wednesday to be included in the following Sunday bulletin. Send to bulletin@smastl.org. All requests subject to parish priest approval.
