Feast of Christ the King

The Feast of the Kingship of Our Lord Jesus Christ was established by Pope Pius X on December 12, 1925, and is celebrated on the last Sunday of October, the Sunday before the Feast of All Saints. The Feast is directed against the specific evils of our times:

- The denial of Christ’s authority to rule all nations;
- The denial of the right of the Church to teach the human race, to make laws, to rule over peoples unto their eternal salvation;
- The putting of the religion of Christ on a footing with false religions.
- The putting of the religion of Christ under civil authority.
- The setting up of a natural religion in place of the Divine religion.
- Impiety and neglect of God, with their attendant evils of enmities and rivalries between nations, of insatiable greed masquerading as public spirit and patriotism, of discord and division between citizens, of blind unrestrained self-love, which makes private gain and private advantage its one aim and universal standard, of unhappiness in homes through neglect of domestic responsibilities, of the loss of stability in family life—all leading to the total destruction of human society. (Encyclical, Primas)

The object of the feast is to stamp out the plague of anti-clericalism and secularism which infests modern society, to bring men to acknowledge and to vindicate the rights of Christ over individuals and over peoples and thus establish “the peace of Christ in the Kingdom of Christ”.

New bulletin announcements and prayer requests must be submitted by noon on Wednesday to be included in the following Sunday bulletin. Send to bulletin@smastl.org. All requests subject to parish priest approval.
