Queen of the Holy Rosary
October 7

This feast was instituted by Pope St. Pius V in thanksgiving for the great naval victory over the Turks at the battle of Lepanto on this day in the year 1570, a favor due to the recitation of the Rosary. This victory saved Europe from being overrun by the forces of Islam.

Lepanto, perhaps the most complete victory ever gained over the Ottoman Empire, on October 7, 1571, is commemorated by the invocation "Help of Christians," inserted in the Litany of Loretto. At Belgrade, the Turks were defeated on the Feast of Our Lady of Nives in 1716. A second victory gained that year on the Octave of the Assumption determined Pope Clement XI to command the Feast of the Rosary to be celebrated by the universal Church. Leo XIII added the invocation "Queen of the most Holy Rosary, pray for us," to the Litany of Loretto. The Feast is a great festival of thanksgiving for the single and countless benefits bestowed on Christendom through the Rosary of our blessed Queen.

New bulletin announcements and prayer requests must be submitted by noon on Wednesday to be included in the following Sunday bulletin. Send to bulletin@smastl.org. All requests subject to parish priest approval.
